

# Customer Care Graduate Programme

Almost everything you eat or drink contains a **Kerry ingredient or flavour**. We work with **thousands of customers** across the globe, including the top 10 supermarkets, quick-serve restaurants and brands; in fact, any food or beverage you can imagine. **Anyone can see the world. But what about the chance to change it?** The work you will do with us will have an impact on food and beverage across the globe. That's not something every company can offer!

## Here's some of the really tasty bits about our programme

- We make graduates **permanent** from the word go.
- We are a global company **exploring global opportunities**. A large proportion of those on our Graduate Programme get to work and live abroad.
- Many of our directors and department heads began their careers through our Graduate Programme. **Motivation and passion can take you all the way to the top.**
- **Responsibility comes early.** We want you to develop the functional and leadership skills you need to make a real difference.

## Customer Care Graduates

Customer Care acts as the **key contact** between the customer and Kerry and will **manage customer requirements**, (both internal and external). As a Customer Care Graduate you will have first-hand exposure to our key global customers which will build a great platform for a successful career in Kerry.

**“For me, the best thing about the Kerry Graduate Programme and Kerry as a business; is the amount of responsibility, and the opportunities given from day 1. Kerry is a company where drive, passion and hard work are recognised and rewarded; and where experience is taught through your career rather than expected at the start.”**  
- Hannah Cameron, Commercial 2013 Graduate Intake

The Kerry logo consists of the word "KERRY" in a bold, white, sans-serif font. A yellow horizontal line is positioned below the letters "Y" and "R". The logo is set against a dark blue rectangular background.
