

Procurement Graduate Programme

Almost everything you eat or drink contains a **Kerry ingredient or flavour**. We work with **thousands of customers** across the globe, including the top 10 supermarkets, quick-serve restaurants and brands; in fact, any food or beverage you can imagine.

Anyone can see the world. But what about the chance to change it? The work you will do with us will have an impact on food and beverage across the globe. That's not something every company can offer!

Here's some of the really tasty bits about our programme

- We make graduates **permanent** from the word go.
- We are a global company **exploring global opportunities**. A large proportion of those on our Graduate Programme get to work and live abroad.
- Many of our directors and department heads began their careers through our Graduate Programme. **Motivation and passion can take you all the way to the top.**
- **Responsibility comes early.** We want you to develop the functional and leadership skills you need to make a real difference.

The Kerry logo is displayed in white, bold, uppercase letters on a dark blue rectangular background. A thin yellow horizontal line is positioned directly beneath the text. The background of the entire slide features a collage of various food items, including small appetizers, breads, and vegetables, arranged on a rustic wooden surface.
