

The Flight Sharing Platform

Internship: Community Manager (Germany) Paris

Sector: Web Service, Sharing Economy and Light Aviation

Position type: 6-month internship

Required profile: Business Development / Marketing

Starting: January 2018

Remuneration: According to profile

Location: Paris 15th Arrondissement (Boucicaut)

What is Wingly?

Wingly is Europe's leading flight sharing platform. We bring private pilots and passengers together, and enable them to share both the magic of flight and the costs incurred.

Who are we looking for?

- Native speaker of German, and a full professional proficiency in English. (French or other languages is a plus)
- Bachelor or Master of Business, preferably in communications and marketing
- Strong interest in the start-up world
- Highly motivated, and autonomous team player
- Plus: Knowledge of the Adobe Creative Suite: Photoshop, InDesign
- Having a passion for aviation or holding a Private Pilot Licence is a plus.

About the job:

- Business development and strategic decision making and execution
- Communication management and Wingly marketing
- Social media channels (content creation, user engagement, blog, etc)
- Customer support and CRM

Ready for Take-Off?

Send us your CV and cover letter in English to career@wingly.io
